

LOOKING FOR LOVE...

READY FOR ADOPTION

MILEY

Hi, my name is Miley and they tell me I am a sweetheart. I am a white and tan Lab mix and five months old. Spending time at Puppy Camp at Cause for Paws has been great fun. I have learned some basic obedience and know not to jump on people or bite, and am very good about coming when I am called. At play time I enjoy fetching and returning anything that is thrown and tug-of-war.

I have been spayed and am up to date on all my shots, worming, and flea treatment. I like other dogs and children, and my introduction to cats went well.

I am looking for love in a good home. If you are interested in meeting me, please give Rosemary a call at 334-216-6078. My cost is only for the spaying and shots and my training is included.
